Author: Piana, Chiara
Title: Adherence to antiretroviral combination therapy in children: what a difference half a day makes...
Issue Date: 2013-10-31
Chiara Piana was born in Acqui Terme, Italy, on the 25th of December 1982. She attended the Faculty of Pharmaceutical Chemistry and Technology at the University of Pavia, where she obtained her Master of Science in 2006. In 2007 she started working at the division of Pharmacology of the University of Leiden under the supervision of Prof. Oscar Della Pasqua for the Task Force in Europe for Drug Development for the Young. She started her PhD programme at the Division of Pharmacology of the University of Leiden in 2009 under the supervision of Prof. Meindert Danhof and Prof. Oscar Della Pasqua, which resulted in this thesis.
