**Author:** Ernanda  
**Title:** Phrasal alternation in Kerinci  
**Issue Date:** 2017-05-23
Ernanda was born in Pondok Tinggi (Kerinci, Indonesia) on 23 March 1983. She finished her bachelor degree in Language Education at the Jambi University, Indonesia, in 2006. She then completed an MA in Linguistics at the Radboud Universiteit Nijmegen, the Netherlands, in 2011. The joy of doing linguistics research finally brought her to the Leiden University Centre for Linguistics, the Netherlands, to embark on a PhD programme. This dissertation is the outcome of her PhD research.
